It seems like I am asking an awful lot of favors lately.
I apologize. This one is for Citizens for Decency Through Law
and its continuing efforts to curb the pornographers. Steven
J. Twist, who is presently Chief Assistant Attorney General under
Bob Corbin would be absolutely ideal to replace Mal McDonald
as U.S. Attorney for the District of Arizona, in Phoenix.

Anything you could do to that end would be gratefully appreciated.
The enclosures may be of some value to you.

Sincerely yours,

Charles H Keating, Jr.
